

Optima Batteries
HCB Technologies New Zealand Warranty Statement

Warranty Statement

HCB Technologies will provide the following warranty for Optima batteries imported and distributed by HCB Technologies in New Zealand. The warranty is to the original purchaser subject to the terms and conditions stated herein and will be applied in accordance with the Consumer Guarantees Act 1993.

The warranty listed on the Optima top label applies to Batteries sold and used in the USA. Other New Zealand offered warranties may not apply.

Warranty Coverage

This warranty covers batteries that become unusable or unserviceable due to defects in material and or workmanship. This warranty covers the battery types listed below, that are sized properly and used in the application for which it was intended and charged with an approved charging profile. Proof of purchase and return of good(s) in question must accompany and request for warranty. No exceptions will be accepted. Warranty period commences from the time of purchase.

Optima Battery Type	Warranty Period
Optima Red Top	24 months
Optima Blue Top	24 months
Optima Yellow Top	24 months
All Commercial Applications	24 months
Taxi	6 months

Warranty Exclusions

This warranty does not apply to batteries that break or fail due to abuse or neglect such as improper installation, application, loose wiring, corroded terminal connections, mishandled or dropped batteries, freezing, fire, explosion, or unauthorized battery modifications.

This warranty does not cover batteries that are not charged properly or batteries that are left uncharged for extended periods of time. Batteries must be charged after any significant use and the charge cycle must be completed.

To request an Optima warranty claim, please return the Battery to the place of purchase or see www.hcb.co.nz for your nearest HCB Technologies Dealer, or to contact HCB Technologies directly.
